Product Specification Sheet

Targus 4-Port Smart USB Hub

Part #: ACH112EU

Product Description:

The Targus 4-Port Mobile USB Hub is convenient for those who travel with their laptops and would like to connect to their peripherals via a USB port. Expand one USB port to four high-speed ports to connect and charge your iPod/MP3 player, Smartphone or peripherals through the laptop. The USB cable never gets lost and stores inside of the hub for easy travel. Both compact and sleek, the Targus hub is portable and easy-to-use; simply plug and play.

Product Features and Specifications:

- Functionality – 4-Port USB hub enables instant connectivity with up to 4 USB devices to your laptop
- Practical – Attached cable wraps around ports to protect from damage and dust when not in use. Easy one-touch reset button restores device connections if lost
- Powered – AC adapter provides additional power when required
- Compatibility – PC/Mac Compatible
